DEVELOPER

The Related Group

Established in 1979, The Related Group is Florida's leading developer of sophisticated metropolitan living and one of the country's largest real estate conglomerates. Since its inception, the privately held company has built, rehabilitated and managed over 100,000 condominium, rental and commercial units. The firm is one of the largest Hispanic-owned businesses in the United States with a development portfolio in excess of \$40 billion in 40+ years.

The Related Group has earned awards and recognition throughout the United States and internationally for its visionary designs and development of luxury condominiums, market-rate rentals, mixed-use centers and affordable properties – often in emerging neighborhoods that impact the lives of all demographics. The Related Group has redefined real estate by diversifying both its products and buyers, expanding internationally while also sponsoring public art installations that enhance cities' global culture and streetscapes.

TIME Magazine named Founder, Chairman and CEO of The Related Group, Jorge M. Pérez, one of the top 25 most influential Hispanics in the United States. Currently, The Related Group has over 70 projects in varying phases of development. In addition, Pérez and The Related Group boast one of the most extensive, private international contemporary art collections in the world, one in which each piece is carefully selected by our full-time curators in order to achieve the perfect balance of nature, art and design.

Dezer Development

Dezer Development was founded in 1970 by real estate visionary Michael Dezer. In 1999, together with his son, Gil Dezer, president of Dezer Development, the company expanded outside of Manhattan to encompass unique and strategic holdings in New York, Florida, and Las Vegas. In 1985, the Dezers acquired their first oceanfront hotel properties and in 1996 began to focus on Sunny Isles Beach. The renowned father and son team are credited as major players in the rebirth of the area, having developed eight luxury high-rise residential and condo-hotel developments through unique partnerships with marquee lifestyle brands.

Today, Dezer Development has arguably one of the largest holdings of beachfront property in the state. In addition to these properties, the Dezers have significant holdings in New York. Their portfolio encompasses more than 20 properties with over 1 million square feet. Dezer Development's branded real estate portfolio includes six Trump-branded towers, the Porsche Design Tower, and Residences by Armani/Casa. Generating an unprecedented response from a broad range of local, national, and international buyers, the prolific developer has successfully sold over 2,700 units and generated over \$3.6 billion in sales.
