Project Overview

In the heart of Brickell Miami stands PMG's newest development, a luxurious 34-story residential tower. The new Brickell tower will offer 240 fully finished and furnished residences with the first-of-its-kind dedicated office suites. Comprised of studios, one-, two-, and three-bedroom floor plans spanning 451 to 1,395 interior square feet.

An exceptional 60,000 square feet of amenities is dedicated exclusively to the 240 residences. These purposefully designed spaces serve as extensions of the home. They feature both intimate spaces as well as expansive areas for social gatherings. At the uppermost levels of the tower, where views are the most spectacular, the Owners' lounge and the full floor Wellness Club are thoughtfully designed for socializing, entertaining, and caring for your wellbeing. Personalized services, including building and enable residents to make the most of every moment.

Centrally located in Brickell, you are within walking distance to the vibrant Brickell City Centre, Mary Brickell Village, Underline and the Metro Mover. By car, residents are conveniently located just 5 minutes from Downtown Miami, 17 minutes from the allure of South Beach, and a mere 18 minutes from the Miami International Airport.
